**First Horizon Home Health Care, LLC
ACHIEVES ACCREDITATION WITH ACHC**

Indianapolis, Indiana, First Horizon Home Health Care, LLC proudly announces its approval of accreditation status by Accreditation Commission for Health Care (ACHC) for the services of Home Health Aide Services and Skilled Nursing Services.

Achieving accreditation is a process where healthcare organizations demonstrate compliance with national standards. Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care.

ACHC is a not-for-profit organization that has stood as a symbol of quality and excellence since 1986. ACHC is ISO 9001:2008 certified and has CMS Deeming Authority for Home Health, Hospice and DMEPOS.

First Horizon Home Health Care, LLC has been serving the greater Indianapolis area now since 2015. First Horizon is always striving to improve quality of care and provide the best in-home care for its patients. Achieving accreditation through ACHC highlights the level of devotion First Horizon has in providing the highest level of care to all patients. The accreditation process was very thorough and patient focused. First Horizon learned valuable lessons from the accreditation process that will allow First Horizon to provide a higher level of care to all patients. At First Horizon, the patient and those supporting the patient, always come first. We would like to thank all of our staff for making First Horizon an ACHC accredited organization! Without the quality care and hard work of our staff none of this would have been possible. First Horizon looks forward to continuing to provide the highest quality of care to all of those in need around the greater Indianapolis area!
